R Programming

Intro to Python for Data Science

## SKILLS

### PROGRAMMING

R • SQL • Python

### SOFTWARES

MS Excel • MS Office Suite •

Tensorflow

## HOBBIES

Fighting • Acting • Travelling •

Videography

## EXPERIENCE

### GAME OF THRONES HBO

April 2015 – June 2018 | Winterfell

- Arya then plays a significant role in the Great War, effectively ending the conflict through her killing of the Night King during the Battle of Ice and Fire.

### IBOY NETFLIX

May 2013 – Aug 2016 | Internet

- iBoy's original premise and Maisie Williams' strong performance aren't enough to overwrite a clichéd narrative, too-serious tone, and overall glitchy execution.

## PROJECTS

### GOT CHARACTERS IMAGE RECOGNITION USING TENSORFLOW

Automated attendance for all the characters on set using Tensorflow and Raspberry Pi.

### STUDY ON POPULAR NETLFLIX SHOWS

Exploratory data analysis to predict the next popular Netflix show and advise HBO on it
